Profile Summary

Experienced Software Developer with 8+ years of expertise in designing, developing, and maintaining web applications using HTML, CSS, JavaScript, React.js, and Shopify. Skilled in delivering scalable and efficient solutions, translating business requirements into technical solutions, and collaborating with cross-functional teams.

Key Skills:

- HTML/CSS: Proficient in crafting semantic and responsive web designs, ensuring cross-browser compatibility and accessibility.

- JavaScript: Extensive experience in creating dynamic and interactive user interfaces, optimizing performance, and integrating APIs.

- React.js: Skilled in building reusable components, managing state with hooks and context, and implementing complex front-end functionalities.

- Shopify: Expertise in developing custom themes, integrating third-party apps, and optimizing e-commerce platforms for enhanced user experiences.
